Note: This is a general consent form and is not a substitute for separate written informed consent discussing risks, benefits, and possible side effects of treatment when required (e.g., invasive procedures and immunizations). Offices treating minors will need to ensure the parent/legal guardian has separately signed and authorized the procedural or VIS vaccine forms, prior to the appointment, when permitting their child to come to the visit unaccompanied.

This consent to release information will expire upon the minor's age of majority.
